## Halloween Special 2: Tongue Sandwiches

*Starring: Dracula*

### **Tongue Sandwiches**

- 1 Loaf of White Bread
- 1 pkg. Bologna
- Toaster Oven
- Lips Cookie Cutter

Using a cookie cutter shaped like lips, press down and cut out a lips piece from a slice of bread. Using a knife, cut a slit down the middle of this bread piece.

Grab a slice of bologna and cut out a tongue shaped piece. Place this tongue piece into the slice you cut out of your bread piece. Repeat for as many pieces of bread that you have available.

Place completed sandwiches onto a toaster oven tray and toast on a medium setting. Remove and place on a serving tray for your guests to enjoy.
