Halloween Special 6: Chocolate Covered Toenails

Starring: Dracula

Chocolate Covered Toenails

- 1 bag Pretzel Nuggets
- Semi-Sweet Bakers Chocolate
- Almonds or Candy Corn

In a double boiler, melt down your semi-sweet bakers chocolate to a milky consistency. Once melted, place pretzel nuggets into the goey chocolate and cover vigorously.

Place smothered pretzels onto a baking sheet or plate covered with wax paper. Place an almond or piece of candy corn at the end of each pretzel to simulate a monsters toenail. Let cool overnight, or place into your refrigerator for a few hours until the chocolate solidifies.
